

Friday 27th October

Event: Sharing news with the
village

28th Year

Our class cleared up the village
by litter picking. We got plastic, glass
and foil from the village hall
and the field. Please remember to
put things in the bin and recycle
cans, plastic bottles and card board.
This is important because it keeps our
world clean and tidy.

Friday 22nd October

Create. Share the news

28th Year

Our school has been Litterpicking
at the park, the church and our
field.

We found litter. and we found
some plastic, and glass, and some
paper.

please remember to put your rubbish
in the bin to help the earth. but
some rubbish you should recycle.

Friday 22nd October
create. Working With
the Village
our class went litter
picking and we
found lots of glass
in the park.
We found a lot of
cardboard in the
back lane.
Please remember to
not litter cans
because it is bad
for the environment.
We should reuse.
